Best of Maldives

Male to Male | Ari, Vaavu and Male atolls

This is the ultimate diving journey through the country's most iconic atolls, with extra time in North Male and Rasdhoo.

Encounter an astonishing variety of marine life, from grey reef, whitetip and blacktip reef sharks to mantas, turtles, moray eels, eagle rays and colourful reef fish.

Vaavu is known for its vibrant marine life and pristine coral reefs, and its channels and pinnacles provide thrilling drift dives.

South Male offers impressive drop-offs, caves and overhangs, with coral gardens, manta rays, sharks and turtles.

Experience night dives alongside nurse sharks or graceful manta rays, and witness the beauty of the cleaning stations.

Macro lovers can spot nudibranchs and other hidden reef treasures.

WORTH KNOWING

Key notes

Insurance

Dive insurance is mandatory, and travel insurance is recommended

Good to know

Divers need Advanced Open Water and about 35 dives

Good to know

Open Water divers may join some trips but cannot dive certain sites because of the depth, and need a private guide

Good to know

The route is not fixed, and the dive team may change it because of the weather. Sites are chosen each day by the captain and dive team leader
