ADORA

Best of Southern Atolls Male to Addu

Male to Gan | North Male, South Male, Vaavu, Meemu, Thaa, Laamu, Gaafu, Fuvahmulah and Addu

Begin your diving journey in Male and set course for the untamed beauty of the southern atolls, a path less travelled, designed for true explorers and thrill-seeking divers.

In Vaavu and Meemu, ride the currents through thrilling channels where grey reef sharks, eagle rays and barracudas swirl in spectacular formations.

Further south, Laamu and Gaafu unleash a kaleidoscope of coral-covered walls, buzzing with marine life in electric blue water.

The adventure intensifies in legendary Fuvahmulah, an oceanic drop-off where tiger sharks, thresher sharks and oceanic mantas roam free.

The journey ends in Addu, with graceful mantas over massive cleaning stations and the British Loyalty wreck, now a living reef bursting with colour.

It is a full-on descent into the wilder side of the Maldives, raw, remote and utterly unforgettable.

WORTH KNOWING

Key notes

Insurance

Dive insurance is mandatory, and travel insurance is recommended

Good to know

The route can change to suit the weather and sea conditions

Good to know

Open Water divers are welcome, but some sites are deeper than their limit, so they need a private dive guide or the Advanced Open Water course on board

Good to know

Nitrox certification is available on board

Flying

A flight to or from Gan is needed, and is not included

Good to know

Fuvahmulah has tiger sharks, and sightings cannot be promised
