ADORA

Deep South Kooddoo to Gan

Kooddoo to Gan | Gaafu Alif, Gaafu Dhaalu, Fuvahmulah and Addu

Step off the beaten reef and into the Maldives' wildest waters, where the ocean is raw, the current runs strong and the marine life comes at you big, bold and unforgettable.

This is not the Maldives you have seen in brochures, it is the untamed south, where every dive is a surge of adrenaline and awe.

Drift through the high-voltage channels of Gaafu, where reef sharks, eagle rays and schooling barracudas dominate the current-swept seascape.

In Fuvahmulah, encounter tiger sharks, thresher sharks and even oceanic mantas in the open blue, with no cages and no crowds.

In Addu, dive the iconic WWII wreck of the British Loyalty, now a thriving reef, and watch mantas glide over untouched coral bommies.
