Manta Madness

Male to Male | Baa, Raa, Ari and Vaavu atolls

Manta Madness takes the Best of Maldives and adds Baa and Raa atolls, to explore all the frequented manta spots and lagoons.

Baa, a UNESCO Biosphere Reserve, is home to the renowned Hanifaru Bay, where you can snorkel with mantas and whale sharks when the rangers say the bay is active.

Raa boasts pristine coral reefs, with majestic manta rays and graceful sea turtles.

Drift dives along Rasdhoo Madivaru bring reef sharks, eagle rays and schools of fusiliers.

Swim alongside manta rays at the world-famous Maaya Thila in North Ari, and whale sharks are often seen in South Ari.

The best time to join is during the summer months.
