Komodo Central: Reefs, Dragons and Espresso Martinis

Labuan Bajo to Labuan Bajo | Central Komodo National Park

This Central Komodo itinerary combines spectacular diving with the wild, untouched beauty of Indonesia's most iconic national park.

The route explores both North and South Komodo, with dramatic underwater scenery, pristine coral reefs and close encounters with the legendary Komodo dragons.

It is perfect for shorter trips, or for anyone looking for a balanced mix of adventure and comfort.

Current-swept pinnacles are alive with schooling fish, sharks and pelagics, while manta cleaning stations and drift dives through narrow passages keep the action coming.

Coral gardens and sloping reefs are full of macro life, from nudibranchs and frogfish to reef sharks, mantas and turtles.

GOOD TO KNOW

On land and on the way

For snorkellers

This is a very snorkeller-friendly route. Most dive sites have shallow reefs rich in life, perfect for surface exploration, and Manta Point is a highlight for snorkellers and divers alike.

Beyond diving

A land excursion to Rinca or Komodo Island to meet the world-famous Komodo dragons, scenic anchorages, pink beaches and sunset treks, and small island stops for swimming, kayaking or relaxing on the sand.

When and for whom

Best time to travel: the whole year round. Recommended for: divers of all levels and snorkellers.
