EMPEROR HARMONI

Raja Ampat and Triton Bay

Sorong to Kaimana or Kaimana to Sorong | Misool and Triton Bay

The Sorong to Kaimana cruise is special because it takes in multiple magnificent regions in one trip, with pelagic action, breathtaking corals and hopefully whale sharks too.

Swim the lagoons of Misool and enjoy a beach barbecue prepared by the crew.

The Pisang archipelago offers pristine coral reefs, swirling schools of fish, graceful mantas and curious turtles.

Triton Bay is part of the Kaimana Marine Protected Area, where whale sharks are often seen around the local fishermen's bagans.

Look out for impressive schools of barracudas and jacks, the rare flasher wrasse and the endemic Triton Bay walking shark hiding under a table coral.

At Momon there is the Kiti Kiti waterfall, with paddleboarding and kayaking.
