LADY DENOK

South and Central Raja Ampat

Sorong to Sorong | Misool, Wayilbatan, Piaynemo, Arborek and the Dampier Strait

The Daram Islands, the easternmost island group in the Misool area, are part of a 300,000-acre marine conservation area.

At Warakaraket a vast area of hard and soft coral looks more like an aquarium, with giant morays hiding under the hard coral.

Winged pipefish, nudibranchs, turtles and whitetip reef sharks live here, and the reefs nearby are alive with abundant fish and coral.

Further north, in central Raja Ampat, there is a trek up to the Piaynemo viewpoint, followed by a sunset dive.
