OCEAN HUNTER III

Best of Palau

Koror to Koror | German Channel, Blue Corner, Ulong and Peleliu

Palau's best diving, with spawning dives timed around the full and new moon on some departures.

At full moon red snappers gather with the bull sharks that hunt them, and at new moon bumphead parrotfish gather, putting you in the water among very large numbers of fish.

The walls and channels of Ngemelis, Ulong and Peleliu are dived through the day, with a night dive on most evenings.

Beneath the surface lie WWII wrecks, including a seaplane, and a cave to swim into.

Ashore there is a swim in Jellyfish Lake and a tour of the Peleliu battlefield.
