SPIRIT OF THE MALDIVES

Heart of the Maldives

Male to Male | North Male, Rasdhu, Ari, Felidhu and South Male

The central atolls, sometimes called the Best of the Maldives, are shark dives, coral gardens, manta cleaning stations and night dives.

North Male has caves with blue and yellow soft corals and lively pinnacles, and night dives that often bring sharks and mantas.

Rasdhu offers channels and pinnacles with shark dives and a chance of mantas, plus night dives under the stars.

Ari is a favourite area for whale sharks and hammerheads, with more shark dives and manta cleaning stations.

South Male gives a last chance for sharks and mantas over its channels and coral gardens.
