Alor to Ambon

Alor to Ambon | Alor, the Banda Sea and Ambon

The Banda Sea has crystal clear water and sheer walls hung with soft corals, sea fans and sponges, in places that only a boat can reach.

Banda Neira sits under the Banda Api volcano, and its walls are hung with soft corals, sea fans and sponges.

The outer reefs bring reef sharks, silky sharks and, in season, schooling hammerheads.

The trip ends in Ambon, home of a top macro site where the small stuff steals the show.
