WHITE MANTA

Triton Bay, Fak Fak and Misool

Kaimana to Sorong | Triton Bay, Fak Fak and Misool

Remote, unspoiled and stunning underwater landscapes, made all the more alluring by the lack of crowds, link Triton Bay to Southern Raja Ampat.

Triton Bay has black coral forests awesome in scale, squadrons of bumphead parrotfish, ever-present turtles, walking sharks on night dives and a chance to snorkel with whale sharks at the fishing platforms.

A swim under a waterfall at Fak Fak adds a break from the diving.

The finale is the spectacularly beautiful reefs of Misool, in some of the world's most bio-diverse waters, with 580 kinds of coral.
