# Banda Islands

*Ambon to Ambon | Banda Islands and the Banda Sea*

The Banda Sea has crystal clear water and sheer walls hung with soft corals, sea fans and sponges, in dive sites that only a boat can reach.

Ambon starts the trip with the top macro diving on the northern coast, with frogfish, ghost pipefish and rhinopias.

Run Island has sloping coral walls full of fish and sea fans, and Ai Island brings pelagic visitors and pristine reefs.

The outer reefs bring reef sharks, silky sharks and tuna, and in season the elusive hammerhead sharks.

Banda Neira sits under the Banda Api volcano, a village walk away from the walls.
