AURORA

Lembeh, Halmahera and Raja Ampat

Bitung to Sorong | Lembeh Strait, Halmahera, Misool and Raja Ampat

Set sail on an unforgettable journey from the muck diving of Lembeh Strait to the staggering biodiversity of Raja Ampat, two of the best known dive destinations in Indonesia.

Together they offer a perfect mix of underwater experiences, from tiny macro creatures to wide coral gardens, all set against beautiful natural scenery.

You begin in Lembeh Strait, famous for exceptional muck diving, where rare and bizarre critters make it a dream for macro photographers.

Aurora then sails on to Raja Ampat, the crown jewel of Indonesian diving, where you dive vibrant coral reefs, swim with manta rays and see the marine life that makes it one of the most sought after places to dive in the world.

The eleven nights run from muck diving in Lembeh Strait through Tifore, the Goraici Islands and the Strait of Patinti in Halmahera, then Pulau Pisang and Misool.

Your itinerary

DAY 1

Bitung

After the airport pick-up, a welcome drink waits on board Aurora in Bitung, in the heart of the Lembeh Strait, with time to get to know each other and prepare for the adventure.
Check-in is from 6 am, with free airport pick-up from 06:00, and pick-up in the city centre on request.

DAY 2-3

Lembeh Strait

Lembeh Strait is one of the favourite places in the world for muck diving, where finding hidden critters on the sandy bottom is the ultimate goal.

DAY 4

Tifore Island

Tifore, a small island between Halmahera and Lembeh, has a very fishy submerged reef with schooling barracudas, jacks, batfish and snappers.
The boat cruises overnight to the Goraici Islands.

DAY 5

Goraici Islands

The Goraici Islands, off the west coast of Halmahera, have white sand beaches with small villages, amazing reefs and pinnacles, colourful soft coral deeper down and hard coral gardens in the shallows.
The boat cruises overnight to Patinti.

DAY 6-7

Strait of Patinti

Two days are spent in the south of Halmahera, where two large pinnacles break the surface, excellent dive sites for their schooling fish and healthy soft corals.
Strong currents decide when you dive.
The boat cruises overnight to Pulau Pisang.

DAY 8

Pulau Pisang

Pulau Pisang, two islands and two small rocks between Misool and Halmahera, has sloping reefs full of soft and hard coral bommies, very fishy when the current runs, with dogtooth tuna passing by.
The boat cruises overnight to Misool.

DAY 9-11

Misool

Misool, the southernmost island of Raja Ampat, is surrounded by hundreds of small islands and rocks and has some of the most beautiful soft coral reefs in the world.
Its sites are as fishy as the Dampier Strait, with schools of barracudas, batfish, snappers and fusiliers, and it is also the kingdom of the pygmy seahorse.
The boat crosses overnight to Sorong.

DAY 12

Sorong

The cruise ends in Sorong after a good breakfast and a lot of hugs.
