Raja Ampat to Triton Bay

Sorong to Kaimana | Raja Ampat, Pisang and Triton Bay

Two great reef regions make up this journey, Raja Ampat in the heart of the Coral Triangle and Triton Bay in the far south of West Papua.

Raja Ampat brings mantas, black mantas, wobbegong sharks, walking sharks and some of the most vibrant soft corals in the world.

The Pisang islands have lively coral reefs and a lookout for T-Bone the hammerhead.

Then comes Triton Bay, with soft coral gardens, black coral forests, towering sea fans and a chance to swim with whale sharks at the fishing platforms.
