BLUE FORCE THREE

Central Atolls

Male to Male | North Male, South Male, Felidhoo and Ari

This is the best known route in the Maldives, and at the same time the one with the best and most varied dives.

Drift dives on the thilas bring eagle rays, tuna, turtles and schools of colourful fish.

Manta cleaning stations, a wreck full of life and the search for whale sharks add to it, with the chance to snorkel or dive with them.

It is the best known route in the Maldives.
