BLUE FORCE THREE

Central Atolls and Hanifaru

Male to Male | North Male, Baa, Ari and Rasdhoo

August to October is the best season for the North Atolls, and this route is a manta expedition to Baa Atoll and Hanifaru Bay.

The Manta Expedition, timed for the best season in the north atolls, is built around snorkelling with mantas at Hanifaru Bay in the biosphere reserve.

It begins at a manta cleaning station in North Male and returns to mantas after dark in Ari, with night dives.

Rasdhoo offers pelagics and Ari the search for whale sharks, depending on conditions.
