BLUE FORCE THREE

Hanifaru and Extended North

Male to Male | North Male, Kaashidhoo, Baa, Raa, Lhaviyani, Noonu and North Ari

August to October is the best season for the North Atolls, and this route is a manta expedition to Baa Atoll and Hanifaru Bay.

The 11 night version of a northern route out of Male through the atolls of North Male, Kaashidhoo, Baa, Raa, Lhaviyani and Noonu, with time for some of the least visited reefs in the north.

The highlights are manta cleaning stations and, where mantas are present and the park rules allow, snorkelling in Hanifaru Bay.

There are also channels of grey reef and silvertip sharks, colourful thilas and the chance of whale sharks by day or night.

Your itinerary

DAY 1

Embarkation

No diving today

Arrival at Male airport and immigration, then the dhoni transfer to the boat.
You board, settle into your cabin, attend the cruise briefing and spend the afternoon sailing, with dinner on board.

DAY 2-11

Hanifaru and Extended North route

Daily dives

Diving through North Male, Kaashidhoo, Baa, Raa, Lhaviyani and Noonu atolls, with more time at each stop than on the seven night route and, depending on conditions, a visit to the North Ari area and Rasdhoo.
The dives take in manta cleaning stations, channels with grey reef and silvertip sharks, thilas covered in soft and hard corals and colourful walls, with the chance of guitar sharks, leopard sharks, eagle rays and whale sharks by day or night.
Where mantas are present and the park rules allow, there is snorkelling in Hanifaru Bay.
There is a special night dive, and the extras include barbecues on desert islands, stand up paddle boarding, kayaking, sunset relaxing and visits to local islands.
The dive order changes daily with the weather, the currents and the wildlife.

DAY 12

Disembark

Breakfast, then disembarkation at 7:00 am and the transfer to Male airport.
A day hotel in Male is possible if your flight is later.

GOOD TO KNOW

On land and on the way

Hanifaru Bay

The route looks for a manta cleaning station in North Male, then sails north to Baa Atoll, where you snorkel with mantas in the Hanifaru Bay Biosphere Reserve; watching them open their mouths to filter the water and feed on plankton is something very special.

Night dives

Night dives and snorkelling are part of the weekly programme, depending on conditions.

On board

Kayaks and paddle boards, a beach barbecue on a desert island and a visit to a fishing village when the weather and logistics allow.

Check in

You are met at Male airport, complete immigration and take the dhoni to the boat. After boarding there is the cruise briefing, then dinner on board.

Check out

Breakfast, then disembarkation at 7:00 am and the transfer to the airport. A day hotel in Male is possible if your flight is later.

Last dive

Allow at least 24 hours between your last dive and flying.
