Southern Sharks

Male to Gan or Gan to Male | Vaavu to Addu

This journey celebrates the beauty and diversity of the underwater world, with a special focus on the apex predators of the southern atolls.

South Male offers impressive drop-offs, caves and overhangs, and Vaavu's channels and pinnacles provide thrilling drift dives.

Meemu has grey reef sharks, silvertips and majestic mantas, and in Thaa you can hope to spot whale sharks at night.

Huvadhoo, the largest atoll in the Maldives, has deep lagoons and world-class channels, with hammerheads, grey reef sharks and even whale sharks.

Fuvahmulah is the predator's playground, where tiger sharks and other pelagics are met naturally and never fed.

Addu adds the WWII wreck HMS British Loyalty and the manta cleaning station at Maa Kandu.
