FELICITY

Deep South, Gan and Koodoo

Gan to Koodoo or Koodoo to Gan | Fuvahmulah, Huvadhoo and Addu

For the adventurous diver, the Deep South route is a thrilling option, exploring remote, less-explored dive sites.

Fuvahmulah Atoll is one of the most exclusive dive spots in the Maldives, offering encounters with tiger sharks, hammerhead sharks and other pelagic species.

Addu Atoll, the second-largest atoll in the country, features submerged pinnacles, healthy coral reefs and abundant pelagic fish such as jacks and reef sharks.

A night dive with a light for whale sharks is one of the highlights of the Deep South.

Channels, canyons, pinnacles and coral gardens fill the days across the southern atolls of the Maldives.
