Travel Tip:

ARRIVAL DATE: We highly recommend arriving in the city of embarkation one day prior to the cruise departure and staying at a local hotel. This provides flexibility in the event of unexpected flight or luggage delays, or cancellations.

DEPARTURE DATE: We strongly advise against booking international flights on the same day as disembarkation, to ensure a smooth and stress-free transfer. Please Note: This itinerary is a sample and may be adjusted based on weather conditions, local regulations, or other operational considerations. The final route, timing, and selected activities are at the discretion of the Captain and Cruise Director, who will always prioritize guest safety and strive to provide the best possible experience throughout the trip.
