

Raja Ampat / Halmahera (Sorong to Ternate)
30+ dives recommended
Open water Diver or equivalent required

10 Nights /11 Days| Up to 35 Dives

Day 1: Embarkation-Sorong (SOQ)

Once all guests are on board, we begin our journey cruising toward the southern region of Misool.

Day 2: Fiabacet (4 Dives)

Our check dive takes place in the vibrant waters of Misool, surrounded by schooling fish and stunning reefs adorned with soft corals and sea fans. All four dives will be concentrated in this area, offering a full day of exploration.

Day 3: Fiabacet (4 Dives)

We stay in Fiabacet, where many of Misool's best dive sites are located close together. Expect pinnacles, ridges, and spectacular reefs teeming with life—from macro critters to large pelagic species. Schooling fish are abundant, making this area a highlight of the trip.

Day 4: Warakaraket (4 Dives)

We begin the day at Magic Mountain, a submerged reef and cleaning station with excellent chances of spotting both reef and oceanic manta rays. Then we continue to Boo Windows, famous for its scenic swim-throughs and long ridges. The remaining dives will be in nearby sites, all showcasing rich coral and marine life.

Day 5: Wayil (4 Dives)

Diving in Wayil focuses on dramatic rock formations and pinnacles. The highlight here is The Four Kings, a site made up of four pinnacles, home to dense fish schools and vibrant corals.

Day 6: Pelee (4 Dives)

Located in the southwest of Misool, the sites here feature beautiful reefs with ridges and coral-covered bommies. A wide variety of reef fish and some unique critters can be found here.

Day 7: Pulau Pisang (4 Dives)

Diving day offers a stunning coral garden with slopes covered in soft coral, barrel sponges, and gorgonians. Marine life includes barracudas, rainbow runners, and dogtooth tuna. After diving, we cruise overnight toward South Halmahera.

Day 8: Kusu Island (4 Dives)

Kusu lies in the strait between South Halmahera and Bacan. The dive sites here are rich in hard coral gardens, often swept by currents. Expect to see blacktip reef sharks, anthias, dogtooth tuna, and more.

Day 9: Pulau Jambu (4 Dives)

Close to mainland Halmahera, the reef conditions are similar to Kusu. You'll enjoy pristine hard coral gardens, encounters with reef sharks, trevally, Napoleon wrasse, and the occasional macro treasures.

Day 10: Goraichi Islands (2 Dives)

Our final two dives will be at Goraichi. We'll explore a submerged reef and a small rock with a large plateau—both alive with healthy reef systems and species like sharks, Napoleon wrasse, and schools of trevally.

Day 11: Disembarkation-Ternate (TTE)

Guests will disembark by 10:00 AM at the latest. Transfers will be arranged to Ternate Airport or your preferred hotel in the city.

Important: The last dive of the trip will take place on Day 7. Divers are strongly advised to observe a 24-hour surface interval before flying.

Travel Tip:

ARRIVAL DATE: We highly recommend arriving in the city of embarkation one day prior to the cruise departure and staying at a local hotel. This provides flexibility in the event of unexpected flight or luggage delays, or cancellations.

DEPARTURE DATE: We strongly advise against booking international flights on the same day as disembarkation, to ensure a smooth and stress-free transfer.

Please Note: This itinerary is a sample and may be adjusted based on weather conditions, local regulations, or other operational considerations. The final route, timing, and selected activities are at the discretion of the Captain and Cruise Director, who will always prioritize guest safety and strive to provide the best possible experience throughout the trip.
