

Manta Mae Charter

Komodo – Bali 10 days /9 nights

Day 1-4 Komodo

Mantamae staff will pick you up at Labuan Bajo airport in Flores and accompany you to the dock for immediate boarding and departure. During a light lunch you will be briefed on Manta Mae and, depending on the time of your arrival, will also be briefed on the “check dive”. The small island of Sebayur offers nice diving just a few miles from Labuan Bajo’s harbour. Sebayur Kecil and Mini Wall are perfect for warm-up dives and you are likely to see bronze sweepers, lion-fish, eels, and possibly the resident ghost pipefish. The staggered tiers of the neighbouring patch reef are home to many different species of nudibranchs, pipefish, sea fans, sponges and even a few twin-spot lion-fish. In addition to diving day-time, we’ll offer a night dive every day if conditions are favourable.

We will visit and dive during these days the following spots (2/3 dive per day)
- Gili Lawat and Darat

- Batu Balong
- Makassar straight
- Castel Rock

- Rinca
- Siaba Island

The dramatic underwater landscape with its great walls is home to an incredible variety of sea life and corals. Sharks, giant trevallies, unicorns, rainbow runners, turtles, barracudas and napoleon wrasse.

We will also encountered mantas, turtles, eagle rays and white tip and black tip reef sharks/ It's also a great site for snorkelling. We will dive a beautiful coral garden and we will meet crocodile fish lie on the scenic reef alongside a host of reef fish and schooling barracuda, nudibranchs.

We will trek half hours to see the legendary prehistoric lizard Komodo Dragons.
