MERMAID II

Ambon, Banda Sea and Raja Ampat

Ambon to Sorong | Ambon, the Banda Islands, Manuk and Raja Ampat

From the muck of Ambon across the Banda Sea to Raja Ampat, this route runs through the old Spice Islands and ends among the prettiest soft coral reefs in the world.

At the Manuk volcano, huge aggregations of sea snakes surround you on all sides, over black sand slopes and gorgonian-covered ridges with zillions of fusiliers.

The Banda Islands have walls of massive gorgonians, soft corals and barrel sponges, and pinnacles of schooling pyramid butterflyfish.

Ambon has muck dives for rhinopias and the psychedelic frogfish, and Misool is a heaven for wide angle photographers.

On land, Banda Neira has an old Dutch fort and breakfast at a nutmeg plantation.

Your itinerary

DAY 1

Ambon

Check in + extra dives

Check-in on board Mermaid II.
Once all guests are on board a safety briefing will be given.
If all the guests are on board by 12.00 hours, you have the chance to do two extra dives at Ambon Bay in some fabulous muck dives with critters galore.
This area is known for many rare and unusual species including the psychedelic frogfish and Rhinopias.

DAY 2

Ambon

3 dives

We will spend the day around Ambon, where there are several options such as a wreck, or doing some really interesting muck dives looking for rhynophias, frogfish (including the psychedelic frogfish), harlequin shrimps, and many other critters.
Cruise overnight to the Banda Islands, 110 nautical miles.

DAY 3-4

Banda Islands

Dives + cultural visit

The next two days will be spent in the Banda Islands, also known in the old days as the Spice Islands.
Many of the dive sites around the Bandas are wall dives.
Walls covered in massive gorgonians, soft corals, barrel sponges and some very interesting swim throughs.
But there are other attractive dive sites such as pinnacles with enormous groups of schooling pyramid butterflyfish, triggerfish and pelagic fishes such as tunas passing through, spectacular hard coral reefs next to the volcano, and great muck dives with lots of mandarin fish in the local jetty.
The Banda Islands are much more than diving.
It is also a cultural and historical experience.
We will spend one morning walking around the village of Banda Naira with a local guide, and visit the local museum, the Old Dutch fort, the old colonial governor's house, the local fish market, and we will have breakfast at a nutmeg plantation.
Cruise overnight to Manuk, 55 nautical miles.

DAY 5

Manuk

Dives

Manuk, an active volcano about 55 nm south of the Banda Islands, is one of two places in Indonesia where there are huge aggregations of sea snakes, Chinese sea snakes and banded sea kraits.
It is an incredible experience to dive surrounded on all sides by sea snakes.
The island is surrounded by black sandy slopes with hard coral reefs, volcanic ridges covered in gorgonians with zillions of fusiliers and pelagic fishes such as spanish mackerels and dogtooth tunas passing through.
Cruise overnight to the Pulau Koon, 108 nautical miles.

DAY 6

Pulau Koon

Dives

Pulau Koon is a small island on the southeast of Ceram, half way between Raja Ampat and the Banda Islands.
Walls covered in soft corals, and sandy slopes with hard coral bommies.
But the most interesting feature of this island is the amount of schooling fish and pelagic, barracudas, bigeye trevallies, aggregation of red snappers, pompanos, batfish, and giant groupers.
Cruise overnight to Misool, 100 nautical miles.

DAY 7-9

Misool

Dives + tender excursions

The next 3 days will be around the island of Misool, where there literally hundreds of dive sites.
Misool is a heaven for wide angle photographers.
The prettiest soft corals reefs in the world are located in Misool, as well as having multiple pinnacles surrounded by masses of schooling fish, barracudas, jacks and snappers.
There will be some excursions with the tenders through some amazing inner lagoons, fantastic scenery and wild life sightings.
Cruise overnight to the Dampier Strait, 90 nautical miles.

DAY 10

Dampier Strait

Dives

Dampier Strait is located between Waigeo and the Bird's Head Peninsula.
Along with Misool, it is the most famous area for diving in Raja Ampat.
All of the dive sites around the Dampier Strait are known for a huge amount of schooling fish: barracudas, schools of bigeye trevallies, oceanic triggerfish, spadefish, surgeonfish and snappers.
Besides the schooling fish, it is also an area where you get to see black and whitetip reef sharks and wobbegong sharks.
Some of the best manta dives are also located in the Dampier Strait.
Blue Magic is a small pinnacle where the giant mantas congregate and get cleaned as well.
Some of the best mangrove dives are also located in the Dampier Strait, around the islands of Yanggefo and Gam.
And of course, one cannot forget the dive sites at some of the jetties in front of local villages, where the pillars are covered in soft corals and are home to a plethora of small critters.
Other fantastic dive sites in this area include Cape Kri, Sardine Reef, Chicken Reef, Mioskon, Mike's Point, Mangrove Ridge and Citrus Ridge.
Cruise to Sorong, 40 nautical miles.
