THEIA

Deep South: All the Way to the Equator

Gan to Male | Addu, Fuvahmulah, Gaafu, Laamu, Thaa, Meemu, Vaavu and Male

Join Theia for an incredible diving adventure through the wild south of the Maldives.

You begin in Addu Atoll, where you will explore vibrant coral reefs and meet majestic manta rays and several species of shark.

The crystal clear water and rich marine life make these first dive sites unforgettable.

Next come Fuvahmulah, Gaafu Dhaalu and Gaafu Alifu Atolls, famous for thrilling drift dives and an abundance of life, including impressive numbers of sharks and colourful schools of fish.

The scenery underwater is both dramatic and serene, a perfect balance of excitement and calm as you discover the hidden gems of the atolls.

Heading on through Laamu, Thaa, Meemu and Vaavu Atolls, the landscapes become even more captivating, with dramatic drop offs and some of the most iconic dive sites in the Maldives.

Your itinerary

DAY 1

Embarkation

No diving today

A representative meets you at Gan domestic airport, where your guides welcome you and take you aboard.
There is a welcome drink and briefing, then dinner on board.

DAY 2

Addu Atoll

Up to 3 dives

Addu atoll offers nice drift dives along beautiful reefs a nice wreck dive and also a famous channel dive with big chances of Manta ray encounters.
We will start with a check dive and explore the atoll for special species.

DAY 3

Fuvahmulah and South Gaafu

Up to 3 dives

After a night crossing, we will reach Fuvahmulah Atoll, a unique island in the middle of the Indian Ocean that offers exceptional opportunities to encounter large pelagic species, especially tiger sharks.
We will complete three dives around this remarkable island before continuing our journey south toward Gaafu Atoll.

DAY 4

South Gaafu Atoll

Up to 3 dives

Gaafu Atoll offers a multitude of channel dives with different formations.
We will make three dives in the southern part of the atoll, where we can encounter a wide variety of shark species, eagle rays, schools of jack fish, and dogtooth tuna throughout the area.

DAY 5

South to North Gaafu Atoll

Up to 3 dives

We continue with channel dives in search of more sharks and pelagic species, reaching a special night spot by the end of the day, where we hope to encounter whale sharks in the evening.

DAY 6

Gaafu to Laamu Atoll

Up to 3 dives

Depending on weather conditions, we will complete two to three channel dives in Gaafu Atoll before embarking on a 10-hour crossing to reach Laamu Atoll by night.

DAY 7

Laamu to Thaa Atoll

Up to 3 dives

Laamu Atoll offers vibrant coral life, large schools of reef fish, and opportunities to encounter manta rays and bumphead parrotfish.
After the second dive, we will cross to Thaa Atoll and complete a third dive on a thila rich in hard corals and schools of yellow snappers.
The boat will anchor at a well-known whale shark night spot for the evening.

DAY 8

Thaa to Meemu Atoll

Up to 3 dives

Another channel dive in thaa atoll to start the day then we will reach Meemu atoll for a manta spot and a last dive on the north of the atoll full of soft corals and school of sharks.

DAY 9

Meemu to Vaavu Atoll

Up to 3 dives

After a channel dive in Meemu Atoll, we continue to Vaavu Atoll for a colourful second dive with pelagic species and schools of jackfish.
The day concludes with a night dive famous for its nurse shark encounters.

DAY 10

Vaavu to South / North Male Atoll

Up to 3 dives

A last channel dive for this trip in Vaavu Atoll, followed by a final dive in South or North Malé Atoll—then it's time to clean our equipment and enjoy our photos!

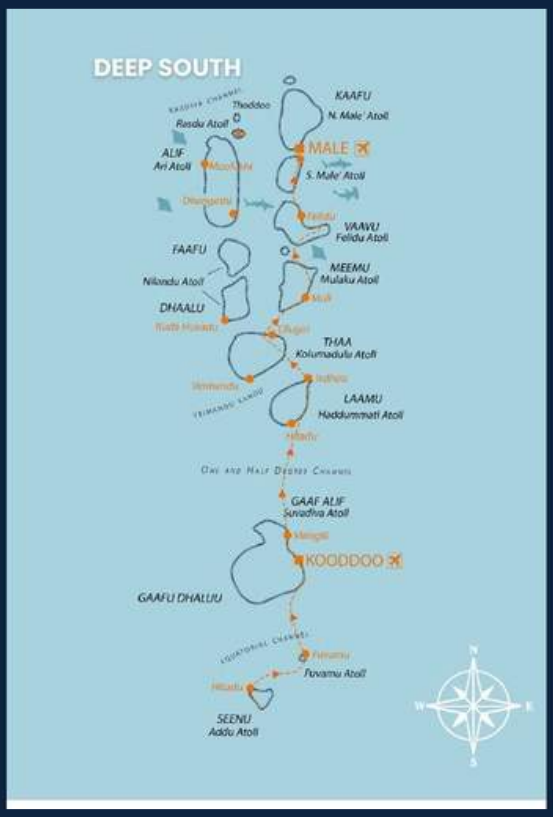

DAY 11

Disembarkation

After breakfast on board, the crew arranges your transfer to the airport.
Guests disembark between 08:00 and 08:30.
There is no diving today.
