TIARE

Alor and Forgotten Islands

Maumere to Saumlaki | Alor, Reong, Terbang and Serua

Rarely visited reefs and a chance to see schools of hammerhead sharks lie in the Forgotten Islands, far from the beaten path.

Serua is hammerhead territory, at the far end of a route through Alor and the remote islands of Reong and Terbang.

Maumere is known for muck dives and wall dives, and the water around Alor runs with currents that can be strong.

At Sisca there is a snorkel with dugongs whenever they are around.
