

**All of Raja Ampat (Sorong to Sorong)**  
**20+ dives recommended**  
**Advanced Open water or equivalent**

**Day 1 - Sorong**

We will pick you up at the airport or your hotel. Once on board, a welcome drink will be served. While we start our journey to Raja Ampat, we will give you a boat and safety briefing and then show you to your cabins so you can settle before lunch is served. We will try to have an afternoon and a night dive if the time allows

**Day 2 & 3 - Dampier Straits**

We will have 4 dives per day on a selection of the best sites in the area according to the tides and current. The Dampier Straits area is home to a few species of sharks, including the wobbegong, as well as pigmy seahorses. The currents and topography of the sites allows to enjoy diving in the middle of schools of fish.

**Day 4 - Manta & Wofo**

We will have 1 or 2 dives in the area famous for manta rays sightings and head to Wofo where we will have 2 dives

**Day 5 - Wayag**

Wayag is considered by many as the gem of Raja Ampat. This vast aggregation of karst islands offers wonderful panorama and a unique chance to explore lagoons and enjoy pristine beaches

**Day 6 - Piaynemo**

We will have 3 dives where you will admire the huge coral garden, schools of fish and sharks hunting in Melissa garden as well as slopes with black coral and whip coral. We will then start our long journey to the south part of Raja Ampat while watching the sun set.

**Day 7 & 8 - South Raja Ampat**

We will be diving on a selection of the best sites in the Misool area. You will be able to appreciate the difference in panorama with the central and north part of Raja Ampat, both above and underwater. Keep searching for the endemic pigmy seahorse in the many sea fans while keeping an eye on the reef and in the blue.

**Day 9 - South Raja Ampat**

We will have 2 dives in the Balbulol area before starting our long journey to Sorong

**Day 10 - Sorong**

It is unfortunately already time to say goodbye. After breakfast we will take you to the airport or your hotel.

The last dive will complete on the penultimate day of the trip at around 12 pm.

Divers are recommended to wait for 24 hours after their last dive completes before flying.
